ELEVATING EVERYDAY JOURNEYS

An aerial, black and white photograph of a large industrial complex. The facility consists of numerous large, rectangular buildings with flat roofs, some of which have multiple levels. There are several tall, thin smokestacks or chimneys rising from the buildings. In the foreground, a large parking lot is filled with many trucks, mostly semi-trailers, parked in neat rows. The background shows more industrial structures and some trees, suggesting a rural or semi-rural setting. The overall scene conveys a sense of large-scale manufacturing and logistics.
